Welcome to the 2020 Collins ELT catalogue!

I’m delighted to share the Collins ELT 2020 catalogue with you as we’ve got lots of exciting publishing happening this year.

We’re publishing three new editions of our much-loved COBUILD titles, starting with COBUILD English Usage, then following on with our Phrasal Verbs and Idioms dictionaries.

For those of you preparing students for Cambridge English Qualifications, we now offer practice tests for A2 Key for Schools and B1 Preliminary for Schools, plus new editions of our Key and Preliminary practice tests. We also have new editions in our TOEIC range, which have been updated to reflect the new format of the exam.

To support IELTS students, we also have new editions of our popular IELTS Skills series – this best-selling course has been revamped and includes lots of new features.

Finally, for those of you looking for help with pronunciation, a new edition of Work on your Accent is also on the way.

If you would like to find out more, please contact our International Sales team, whose details are on the back cover. We are always happy to hear from you!

Best,

Lisa Todd

Work on your Accent

Clearer pronunciation for better communication

Work on your Accent helps students to speak clear English that everyone will understand by softening the influence of their mother tongue. Professional accent coaches Helen and Sarah demonstrate how to pronounce each sound, and show learners when to use them. They also help students to recognise why their native language makes it difficult for them to pronounce certain sounds and which sounds they need to focus on.

Includes audio and video available to download online illustrating physical articulation and pronunciation

Real Lives, Real Listening

A three-level listening skills textbook based on unscripted and authentic recordings, featuring native and non-native speakers.

Real Lives, Real Listening trains students in listening. Through authentic recordings it exposes students to the grammatical structures and lexis which are used most frequently in spoken English rather than just texts. It raises students’ awareness of the differences between spoken and written English, and boosts their confidence. The series reflects the latest academic theories on the importance of authentic listening practice in language acquisition.

- Detailed comprehension and language practice exercises
- Includes information on simplification, linking, elision and weak forms
- Audio with authentic interviews featuring native and non-native speakers of English

Teacher’s notes and answer keys available in the General English section at www.collinselt.com

An innovative series that offers a fresh and practical approach to developing listening skills by means of authentic texts.

Vocabulary Organizer

Learn new words more quickly

Research shows that students need to see a new word as many as eight times before it passes from short-term memory into productive vocabulary. Vocabulary Organizer helps students to do this by providing structured and organised templates in which to record and review their vocabulary.

- Remember new words more easily
- Differentiate between active and passive vocabulary
- Record vocabulary in a structured way
- Find their vocabulary to review

It’s very useful in that it helps students take an active part in vocabulary learning and saves them from asking for ‘lists’ as they often do!”

Susanna Wesson, France

International Students’ Survival Guide

Get the most out of your time at university

The International Students’ Survival Guide prepares students for undergraduate and post-graduate life at English-speaking universities. Students will know what to expect and how to prepare for living and studying in another country.
